APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required under the Listing Rules, to provide requisite information to Shareholders in connection with the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the authorised share capital of the Company was HK\$60,000,000 divided into 3,000,000,000 Shares, among which a total of 1,555,200,000 Shares were issued and fully paid-up.

Subject to the passing of the relevant ordinary resolution at the AGM approving the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 155,520,000 Shares.

2. REASONS FOR REPURCHASES

The Directors believe that the proposed grant of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole. The Repurchase Mandate will give the Company the flexibility to repurchase Shares as and when appropriate. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing the Shares, the Company may only apply funds of the Company legally available for such purpose in accordance with the Listing Rules, the Articles of Association, the laws of the Cayman Islands, and other applicable laws.

A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the Companies Law, any repurchases by the Company may be made out of profits of the Company, out of the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles of Association and subject to the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of either or both of the profits or the share premium account of the Company, or, if authorised by the Articles of Association and subject to the Companies Law, out of capital.

4. STATUS OF REPURCHASED SHARES

The Listing Rules provide that the listing of all repurchased shares is automatically cancelled and that the certificates for those shares must be cancelled and destroyed. Under the laws of the Cayman Islands, a company's repurchased shares may be treated as cancelled or held as treasury shares. When cancelled, the Company's issued share capital (but not the authorised share capital) will be reduced accordingly.

5. IMPACT ON WORKING CAPITAL OR GEARING POSITION

Taking into account the current working capital position of the Company, the Directors consider that, the exercise of the Repurchase Mandate in full will have a material adverse impact on the working capital and/or gearing position of the Company as compared with the position disclosed in the Company's audited financial statements for the year ended 31 December 2024. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. DISCLOSURE OF INTERESTS

As at the Latest Practicable Date, to the best knowledge of the Directors having made all reasonable enquiries, none of the Directors nor, any of their close associates have a present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

No core connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Company is authorised to make repurchases of Shares.

7. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association, the Companies Law, the laws of the Cayman Islands and the applicable laws.

8. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purpose of Rule 32 of the Takeovers Code and Rule 6 of the Share Buy-backs Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As at the Latest Practicable Date, to the best knowledge of the Directors, the Company had not been notified of any Shareholders who were interested in 5% or more of the Company's issued share capital.

On the basis of the current shareholdings of the Shareholders, an exercise of the Repurchase Mandate in full will not result in causing them becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of the above Shareholders, or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%. The Directors have no present intention of exercising the Repurchase Mandate.

The Directors are also aware that the Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in the hands of the public. The Directors have no present intention to exercise the Repurchase Mandate to such an extent that would result in the Company failing to comply with the public float requirements under the Rule 8.08 of the Listing Rules.

9. SHARES PURCHASES MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company during the last six months preceding to the Latest Practicable Date.

10. SHARE PRICES

The highest and lowest closing prices at which the Shares were traded on the Stock Exchange during each of the previous twelve (12) calendar months immediately preceding the Latest Practicable Date were as follows:

	Shares

	<i>HK\$</i>	<i>HK\$</i>

11. CONFIRMATION

The Company confirms that this explanatory statement contains the information required under Rule 10.06(1)(b) of the Listing Rules and that neither this explanatory statement nor the Repurchase Mandate has any unusual features.
